Why I want to use Python instead of Ruby - CapitalistCartr ===== qhoxie I'm really surprised at how many people seem to prefer Python to Ruby for anything but the most trivial tasks. --- mikeyur I use Python for both personal and work projects. While I really dislike Ruby at the moment, I absolutely prefer Python. The reason Python is used for small projects is because you can do a lot with it and often for free. No strings attached. --- jules How do you handle GUI programming in python? Ruby is already very easy in this area. --- mikeyur I've never really done any GUI programming in Python, but it's actually been a pain in Ruby as well (Ruby-on-Rails). ----- tlrobinson Why are you using Python instead of Ruby for everything? --- qhoxie Python by itself
